AN UPDATE FROM DANIEL AND MEREDITH SHRADER!

Here's a story from this week about the Lord's provision. A single mom and her son have been living with one of our local pastor friends and his family. They've been helping her get back on her feet, and now she's ready to move back out into her own apartment. This pastor called the other day to ask if we had any furniture to help the young woman get started again. We had none that day, but we'd be on the lookout and call when something came available. On Tuesday afternoon, we got a call from a lady wanting to donate some couches and other items, and asking if we could come pick them up. PJ (a volunteer) and I took the truck and went immediately to get them. This kind lady donated more than enough to furnish a starter apartment, and it was higher quality than some of our other donations. We had enough furniture to help the single mom get started again. It's a joy to watch the Lord provide in tangible ways and it's a privilege to have a part in it. Thank you for making it possible!

Things You Can Be Praying For:

- ◆ We have several leadership training opportunities we're working hard to launch this fall. Please pray the Lord would allow some theories to move from ideas to reality.
- ◆ Daniel will be teaching a class in the Seminary Extension with the local Baptist association this fall, starting September 4. Please pray for his preparation.
- ◆ Praise the Lord with us for Lily's birthday and pray that we would continue to train her in the nurture and admonition of the Lord.
