**"Nevertheless I have this against you, that you have left your first love. Remember therefore from where you have fallen; repent and do the first works." Rev. 2:4-5**

James Burns, in his classic work, The Laws of Revival, points to a declining spiritual fervor and authenticity that always precedes a spiritual awakening. He comments, "We find preceding each revival, a spiritual desert." This spiritual desert is the result of individual Christians who have departed or defected from their walk with Christ in such a way that they find themselves in a wasteland of moral and spiritual decline. Because they have slowly become more like the world and less in love with Christ, believers discover that there is little or no spiritual power available to accomplish God's work. The result, if this condition is left unresolved? Spiritual famine in God's house and in their land.

Are you praying for awakening but failing to deal with your sin? Develop a game plan for repenting of at least one sin you've had for a while. As you repent and take one step toward God, you will sense God take one step toward you. You will experience fresh power in your prayers and service to God.

**Prayer Points**

- Pray for a cleansed heart and life as you give your sin to the Lord
- Pray for an unwavering devotion to return and walk in obedience to Jesus, your first love
