At Central Baptist Church, we encourage our students to serve. Service is faith in action. All believers, regardless of age, are given spiritual gifts at the time of conversion and these gifts are to be used to serve the entire body of believers. We will provide our students with the opportunity to strengthen their faith by allowing them to serve the church body through their individual spiritual gifts. Our theme verse, Matthew 5:16, says "Let your light shine before others so that they may see your good deeds and glorify your father in heaven." By serving, our students are shining their lights to glorify God.

By completing 25 service hours within the church, student's have the opportunity to reduce the cost of summer mission trips and camp. Students will be given a \$75 (once a year) credit towards either a church sponsored mission trip or summer camp for completing the required number of service hours. Hours must be documented with a supervisor's signature and cannot be hours for which the student has been financially compensated.
